Dear Mr. Steven Cohn Esq.

I would like to discuss with you my concerns regarding the meeting on May 5th at your office.

- 1) It is my wish not to have any additional meetings, unless they 'guarantee' I am going to get the visitation we will agree upon, regardless how many holidays they "promise" to send me the children. My main concern is the well-being of the children, and if they leave New York I do not know when I will see them next, and that may hurt the children and me.
- 2) If it is possible to explain before the court the points I wrote to you in the letter dated May 6th, I will appreciate.
- 3) Anyone who believes that even the children move to Montreal I will still get the visitation agreed upon, should first put their house into escrow, and then represent that to me.
- 4) I would like to stress again, my goal is only the well-being of the children.
- 5) I look forward to meet with you and Mr. Wollhandler at the next court appearance on May 19th, unless there is an unexpected change regard a 'guarantee' on the visitation issue, if that is the situation please notify me as it occurs.

Thank you very much for your understanding.

Respectfully yours,

Kalman Weiss
